A Message from the Head Teacher

Week 15 - Autumn Term - 21/12/18

Dear Parents/Carers

This week brings to a close the year of 2018. The children have had lots of lovely experiences. As it is Christmas we take the time to think of lots of things here in school. We think about the way we are encouraging our pupils to remember that it is exciting to receive presents and great pleasure comes from giving gifts, but that fulfilment is not found in the 'things' we buy or receive. Fulfilment comes when we are able to share love and joy and feel happy and loved, surrounded by our family and friends. I hope that this Christmas our children and families get the chance to share special time together and come together to remember the true meaning of Christmas. Our pupils are a gift to our school family and we thank all of our families for their support this year. I would also like to thank the staff for all of their hard work. I know the many hand written notes and cards they receive are very much appreciated by all of the staff, which show our families' appreciation of their hard work. I would also like to thank the Governors for their hard work this year. They are volunteers who work very hard to make our schools the best they can be.

As we enjoy Christmas and then move into the New Year, looking back at a successful year in our schools and looking forward to another exciting new year, I say a heartfelt 'Merry Christmas'. Our success is measured in our pupil outcomes, their fantastic work they produce, the courageous advocacy they show, the progress they make, the self confidence they develop and the happiness they show, along with all the wonderful ways they develop over time with us. We are thankful for and proud of each and every single one of them.

Wishing peace for all of our families over the Christmas holiday and we look forward to seeing everyone back in school in January.

Mrs. Heaton
