Issue 3 – Autumn Term—04.10.19

Message from the Headteacher

Dear Parents, Carers and Families

It was lovely to see lots of parents, family members and carers in school over the past weeks either 'sharing a lesson' with their children; attending a curriculum workshop; enjoying tea and cake at the McMillan Coffee Morning or celebrating Harvest Festival in the beautiful church of St Peter.

This week all of our classes provided the opportunity to 'share a lesson'. We hope that this gives parents/carers a chance to see our school in action and the chance to share in some learning together. I know the feedback was very positive and we welcome the chance to share.

We really appreciate working in partnership with our families and know that the greatest success is had by pupils where families and school work well together. We try to hold events throughout the year as we understand that parents are not always able to attend due to work commitments.

We would like to say a huge thank you to all parents, staff and pupils who kindly donated a variety of delicious cakes to the school for our Coffee Morning and I am delighted to inform you that we have raised a total of £302.63. The money raised will be split equally between Macmillan in memory of Mrs Ridgeway and Brain Tumour Research in memory of Mrs Blyth. All the support which we receive during these events is much appreciated.

School have participated in lots of sporting Activities already this term: Rugby, Football, Cross Country and Junior APP. Staff who have accompanied the children, not only commented on their amazing sporting ability but on their impeccable behaviour and sportsmanship and because of this St Peter's attained the HTCS FRIMP award. Some of our pupils attended the Cross Country Town Championships on Wednesday. Well done to the children who performed extremely well. It is a great achievement to get through to the town finals. Also, this week our Y6 children have taken part in the Bike-ability Scheme ran by Hartlepool Borough Council. This scheme is to help improve confidence using a bike safely on the roads. Well to done to the children who took part. Wishing you a wonderful weekend!

Mrs Hill
