Create an **information booklet** about trees and seasons.

Think back to our trip to Hardwick Park which trees did you identify?

You could include some of the trees you can see either in your garden, street or neighbourhood.

Some questions to help you are...

What is a deciduous tree?

What is an evergreen tree?

What are the signs of each season?

PE

Watch some of the videos on this link and get physical. Challenge yourself with new **dance** moves and practise your **throwing** and **catching** skills. Can you **balance** and test your **agility** skills?

Task: Make an online safety poster to tell your friends how to stay safe online.

Think back to our great work on online safety and how Smartie the penguin stayed safe online.

Here is the website to help you remember:

Collect natural objects and create some natural art in the style of Andy Goldsworthy.

What patterns can you create?

Use the website to help you remember some facts about Andy Goldsworthy and to see his work.

{ HYPERLINK "https://www.kidzworld.com/article/29663-andy-goldsworthy-the-art-of-nature" }.

We would love to see some photographs of the art you have created.

Create your own healthy pizza!

Can you remember how to make a pizza? You were great chefs when we visited Pizza Express!

There are many ways to do this. You could use a wrap or a pitta bread as a base and then add your toppings. You could even roll your own pre-made dough. Use whatever you have in your cupboards and be creative. See the below website for some ideas for toppings.

The Great Fire of London

KS1

Key Events and Facts	
When and where did the fire start?	The fire started on Sunday 2nd September 1666 in Thomas Farriner's bakery on Pudding Lane.
Why did the fire start?	The fires used for baking were not put out properly.
Why did the fire spread so quickly?	In 1666, the buildings in London were made of wood and straw and they were very close together, making it easy for the flames to spread. It had also been a dry summer, so the buildings were dry. Strong winds were blowing, which helped the flames to spread.
How did people try to put the fire out?	People used leather buckets and water squirts to try to put the fire out, but these did not work. Later in the week, King Charles II ordered buildings to be pulled down to stop the flames from spreading.
How and when was the fire put out?	By Thursday 6th September, the wind had died down. This meant that people were able to put out the flames.
