Message from the Headteacher

Dear Parent and Carer

It has been another fantastic week in school and it is a pleasure to see how well the children have seamlessly adapted to the new routines and protective measures in place within school. We are delighted that our bespoke curriculum design and provision are already ensuring that our children are making lots of progress.

Important Note

I would like to remind parents and carers that - if a household member is displaying symptoms and/or awaiting a test result - household members should NOT attend school or enter school grounds. By not following the guidance pupils, staff and their family members are at increased risk.

Just a reminder to please ensure that all senior school applications are completed and returned no later than the 31st October 2020 for our year 6 children.

The secondary School Admissions flyer emailed out earlier this week to our Y6 families, gives full details on how this year's application process will work.

I would like to say a special thank you to all the Y1/Y2 children, parents and staff who have fully engaged in remote learning. It has been lovely to hear all your positive comments and experiences. As always, the first time we do anything, we review and adapt to provide the best for our children. Very soon Mrs Wilson will be sending out a feedback sheet and we would appreciate your thoughts and opinions so that we can improve this form of learning. It was lovely to see them back in the classroom today and having lots of fun with their peers.

Have a lovely weekend
Mrs Hill

Reading

October 5-10th is National School Library week. Due to COVID restrictions, sadly we won't be making a visit to the library this term, however as a school, we would like to make reading even more exciting.

We would like to challenge your child to read a book in an unusual place or unusual way (and a safely!), be photographed and for the photo to be sent to hartelwickgeneral@nllt.co.uk with their name and class.

The most original photographs will be chosen to win a prize of a brand new book!

The closing date for all photographs will be the 23.10.2020 to allow time for judging! Winners will be announced the week beginning the 2.11.2020.

We are looking forward to seeing your ideas.

Happy Reading!
Mrs James

Parent Consultations

It is lovely to see that the majority of our parents have signed up to the telephone conversations with each /parent carer and the class teacher. If you haven't had chance to do so, these can still be booked via the school website.

For parents new to the school and the system, you will receive your log on details shortly and instructions on how to book a slot. Please contact a member of our admin team who are happy to chat through the process.

For the consultations to be successful, all pupil contact details must be up-to-date. The consultation may be made from a withheld number at the designated time and, unfortunately, should you miss the call, staff will not be able to contact parents beyond the allocated time slot. We understand that things happen and you may miss the call, if you need to rearrange another time on another day please contact the school office the following day.

If your child is on the SEND register and IEP targets are to be discussed, a separate appointment will be made between the teacher and the parent during this call.
