2nd June 2021

Dear Head Teacher

Notification of Primary School Meal Price Increase – September 2021

I write to advise that the Council intends to increase the school meal price for the 2021/22 academic year to £10.65 per week (£2.13 per meal). This would be applied to all free and paid meals taken by pupils from 1st September 2021.

This increase is the first for three years with the Catering service having absorbed all inflationary rises during this period, including higher food prices.

The School Meals Team continues to be committed to providing pupils with enjoyable, healthy and high quality food each day and making sure the schools needs and preferences regarding the overall service are met.

The cost of any school meals taken by adults will remain at £3.00 plus VAT.

Please contact me or Catering Manager Lynne Bell (tel 523850) if you wish to discuss any aspects of the service.

Yours faithfully
