

Religious Education/British

Key Vocabulary

anniversary, baptism, christening, wedding, celebration, funeral, prayer.

Key Knowledge

Everyone has times that are special to them.

Candles can be used at special times to represent Jesus being with us (light of the world) and help us to be still and think.

Candles are lit during a baptism and Diwali lanterns are lit during Diwali.

Special food is eaten at special times such as: wedding cakes and Christmas lunch.

Flowers can help make times special such as: weddings, funerals and the Puja.

CHANGE

Understanding The World

The Natural World – History: Have we always worn the same clothes?

Key Vocabulary

Clothes, top hats, flat caps, shoes, dresses, suits, shorts, waistcoats

Key Knowledge

We wear clothes to cover our bodies and protect our skin from the sun and often to keep us warm.

Clothes have not always looked like they do now.

A long time ago ladies wore big dresses and hats, men wore suits and top hats.

Some men wore flat caps, shorts and waistcoats.

Not everyone had shoes to protect their feet.

The Natural World – Science / Wind

Key Vocabulary

Wind, sail, change, windmill, power, turbine.

Key Knowledge

Wind can make things work.

Wind can make a windmill and turbine turn.

Wind helps the turbine to turn around and it makes energy.

Wind helps the sail on a boat to stay up and change direction.

Computing

Key Vocabulary

Keyboard, keys, typing, letters Log in, log out, mouse, click, open, close, numbers.

Key Knowledge

The keyboard has lots of letters and numbers on it.

The letters on a keyboard are not in the same order as the alphabet.

The mouse/mouse pad moves where the arrow is on the screen.

Expressive Arts and Design

Colour and Painting

Artist - Georgia O'Keeffe

Key Vocabulary

red, blue, yellow, pink, green, white, black, purple, silver, gold, light and dark.

Key Knowledge

Wider/thicker brushes are used to paint bigger spaces.

Smaller/thinner brushes are used to paint smaller spaces.

Different colours can be used to show emotions in a painting e.g. darker colours for sadness and brighter colours for happiness/joy.

We can add black to make a colour darker and white to make a colour

Personal and Social Development

Caring for others and our environment - looking after God's world

Key Vocabulary

Look after, protect, wasteful, use, care, gentle, food, water, kindness, friends, caterpillars, chrysalis

Key Knowledge

We need to look after God's world and animals.

We can look after our environment by not being wasteful.

Wasteful means using more or something than we need.

We can sometimes use whiteboards and pens so we don't waste paper.

To look after animals, we need to give them food and

Physical Development

Multi-Skills

Key Vocabulary

Running, jumping, speed, fast, slow, further, shorter, higher.

Key Knowledge

We can run faster to get somewhere quicker.

We can jump to reach something high or get to another place.

We can change the speed of how we move by running or walking.

Child Led Project: What is in the sky?

Key Vocabulary

Sun, clouds, wind, sky, turbine

Key Knowledge

We can see the sun in the sky.

We can see clouds in the sky

The clouds move when the wind is moving faster.

We can stay safe in the sun by:

- Drinking lots of water
- Not staying in the sun for too long
- Wearing sun screen

Child Led Lines of Enquiry to Explore

What is in the sky?

Why are the clouds moving?

How can we stay safe in the sun?
