Pastoral Care/Spiritual Development

The quality of relationships between all members of school staff and pupils, and the relationship with parents and carers is the area that is most commonly associated with the ethos of the schools in our Trust. It is expressed in the terms of sharing and caring. In the Church schools in our Trust, we follow the teachings of:

'Love your neighbour as yourself' – Matthew 22:39.

'This is my commandment: love each other' - John 15:17.

In our schools we believe every pupil is an individual who is valued for who they are. We have a series of overlapping networks of relationships, which includes governors, staff, children, parents, church members, and members of the community which the school seeks to serve. Our pastoral work will strive to meet the significant challenge to create and maintain such networks including in our Church schools in ways which reflect the Gospel. Those who are in leadership roles, which includes all who have a particular responsibility, ensure that by their personal example they set the highest standards expected.

It is from this premise that both Christian and spiritual love will pervade all aspects of life at Northern Lights Learning Trust. It will influence how we reward and teach discipline. It will affect how we value work and the achievements of pupils and staff. It will be seen in the way in which the school environments are created and cared for, in the way in which the needs of pupils, parents, and community are met, and in the way in which teaching and non-teaching staff work together effectively as a team. Pastoral care pervades all aspects of school life and therefore will be reflected in the way the schools are organised and the policies are written and implemented.

The MAT Board recognises the valuable contribution that the wide range of additional activities, including clubs, educational visits, residential visits and experiences of other environments, can make towards pupils' all-round educational experience and their personal and social development.

1. Charging Policy

Charging will be permitted for the following activities:

1. The full costs of board and lodging on residential visits.
2. The full costs associated with individual or small group tuition in the playing of a musical instrument, where there is parental choice, whether in or out of Academy time (in most cases the Academy subsidises such lessons).
3. The full costs of activities which take place wholly or mainly outside of Academy hours, but which are not provided as part of the syllabus for a prescribed public examination and are not required in order to fulfil statutory duties related to the National Curriculum or to Religious Education. This includes extra-curricular clubs and Out of Hours wraparound care (Breakfast Club and After School Club).
4. The full costs of entering a pupil for a public examination not prescribed in regulations and for preparing the pupil for such an examination outside school hours.
5. The full costs of re-sits of prescribed public examinations where no further preparation has been provided by the Academy.
6. The full costs of entering a pupil for a prescribed public examination where the Local Governing Body has decided there are educational reasons for not entering the pupil.

If a pupil has not regularly attended the lessons for a particular examination subject, the examination fee may be requested, refundable if the pupil attends for examination.

If, without a medical certificate explaining the reason, a pupil fails to complete examination requirements for any public examination for which the Academy has paid an entry fee, the Local Academy Council may seek to recover the fee from the parent.

There may be a charge for examination entry where there is a request from the parent for additional subject entries to be made which are not supported by the Academy.

7. The costs (full or partial at the Academy's discretion) of breakages caused by pupils. A charge is unlikely to be made for accidental breakage, unless the pupil was not heeding previously stated safety procedures. The recovery of the full cost of deliberate breakage or vandalism will be sought by the Academy.
8. The Academy will charge for early year's provision where additional to the core offering of 15 hours, (or 30 hours where eligibility criteria is met) which remains free of charge.
9. Wherever possible, the school will give sufficient notice to allow parent/carers to pay by instalments.

Parents who can prove they are in receipt of benefits and the school are in receipt of Pupil Premium funding for their child the Local Governing Body may remit in full the cost of board and lodging for:
