

EYFS

By the end of EYFS the children will know the following knowledge about games and target work. Game examples: <https://peplanning.org.uk/7-ball-games-for-the-classroom/>

## Area of PE: Games and targets

### New Vocabulary

roll	The ball stays on the floor when moving.
over arm	Throw the ball from my hand held up.
kick	Hit the ball with my foot.
underarm	Throw the ball from your arm held down. Move it towards the sky.
pass	Throw or kick the ball to your partner.
target	Where I am trying to pass/aim at.
bounce	Push the ball towards the floor so that it hits off the floor by patting it.

### New Key Knowledge – Game

When working with a friend I need to try to pass to their feet if kicking and their hands if throwing.

Targets can be big or small. If the target is close, I don't need as much power. If it is far away I need more.

### New Key Knowledge - Practical

#### Movement

You need to aim the ball at the person/target I am passing/aiming at.

You can kick, roll or throw an object to your partner (small/large ball, beanbag, scarf, hoop)

You need to release the ball towards the target I am aiming for or it won't go in the correct direction.

When moving, you need to look where you are going as well as watching the ball.
