A Message From the Head Teacher

Dear Parents/Carers,

Welcome back and Happy New Year! It is great to see everyone back in school with great enthusiasm. Listening to the children it sounds like there have been some wonderful memories made over the Christmas break. This week has seen an immersion back in to the curriculum, with lots of engagement activities taking place.

Our Early Years children are learning about the topic 'Where does the snow go?' and have been doing a variety of activities this week including creating winter collages and playing in our small world area. Our Year 1 and 2 class are learning about 'Bright Lights, Big City' this half term and this week they have learnt about Paddington Bear coming to London. Year 3 and 4 are learning all about predators and this week they have been creating their own rainforests and they are looking fantastic! Our Year 5/6 class are busy learning about their new topic of 'Revolution'.

This week the children have been focusing on Shakespeare and Macbeth.

We have also welcomed Mr. Gibson, our new sports coach this week, along with Miss. Johnson and Mrs. Stewart, two teaching assistants who will be working with us until summer. We hope all feel very welcome and we are pleased to have them on board.

This half term may be a short one but will be packed with lots of learning and engaging activities.

Wishing all our families a great weekend sticking to your New Year's Resolutions!

Mrs. Heaton
