A Message From the Head Teacher

Week 2 - Spring Term - 19.01.18

Dear Parents and Carers,

This week has seen lots of exciting activity in school, not least playing in the lovely snow! It was very well timed to go with the Early Years topic about snow and I know they have loved using it this week in their learning. A really big thank you to our whole school community who made sure that school could open, staff were able to make it in and our parents made it in with the children. As a village school we know it isn't always easy so a big thank you!

This week the Year 1 and 2 children have had a great day at Space to Learn, following step by step instructions on how to build Lego characters which they then connected to a computer to get the Lego characters to move and make sounds. Our Year 1/2 teacher, Miss. Gibson, held her meet the teacher evenings. If any parents didn't manage to get along then please speak to Miss. Gibson or call the school office to arrange a time to meet Miss. Gibson. We also held our parents meeting for our Year 3/4 pupils going to Ford Castle and our children are getting very excited about the residential.

Wishing everyone a wonderful white weekend!

Mrs. Heaton

As from Monday 15th January we began a new system for monitoring children who arrive after the gate closes at 8.58am. If you are running late for any reason please bring your child into reception where you will be asked to complete a slip outlining the reason your child is late. Thank you for your co-operation.
