A Message from the Head of School

Issue 7 Summer Term - 19.07.19

Dear Parents/Carers,

Wow ... I cannot believe we are at the end of the 2018-2019 academic year!

This year has been another successful year for all our pupils at Hart Primary School and we are very proud of all that our school community has achieved.

We are able to celebrate fantastic SATs result but, as you know, that is just a small factor of what pupils experience at Hart Primary. A glance through our Facebook page for this year gives an insight into the wide ranging opportunities and enjoyment our pupils have experienced this year. We can celebrate many achievements in drama, music, STEM, art and many other curriculum and extra curriculum areas. We celebrate our pupils' courageous advocacy, social action, resilience and simply that they are caring, well mannered individuals who can and will make a positive difference in the world. It is for this that I would like to thank each pupil for their hard work and their pride in belonging to our school. We are certainly proud of each and every one of them.

We also thank all of the Hart staff who go above and beyond to not only provide a high standard of education, but also to provide a wealth of wider opportunities for our children, which enables our children to grow and develop in all areas. A lot of hard work goes on behind the scenes by office staff, teachers support staff and at this time of year and it is important to pay recognition to that and we thank all of our staff for their hard work.

Partnership with families and friends of the school is how we work best and we will continue to endeavour to always achieve 'the best' for our pupils and our schools. We value every child's uniqueness and the benefit of our small school is that we can truly focus on every child as an individual.

We thank volunteers, governors, parents and wider families of grandparents, aunts and uncles, who support our pupils and work in partnership with us: transporting props between venues, reading with pupils, offering suggestions, ensuring pupils are wearing the correct uniform and arriving to school on time, selling raffle tickets, organising discos to name a few. Every little help makes a big difference to the provision for our pupils

We are looking forward to the new school year in September with excitement. We look forward to welcoming Miss Covell into the Hart Teaching Team in September.

We wish all of our families and community a wonderful summer break making lots of fun, childhood memories and look forward to seeing everyone on September 4th 2019 refreshed and excited for all that 2019 -2020 will bring.

Enjoy!

Mrs. Hill
Head of School
