Book List

Dear Parent/Guardian,

In the New Year, Year 5/6 will be beginning an exciting new project to encourage our pupils to read because they want to and to develop a love of reading.

The aim of this initiative is to ensure our pupils experience a wide range of books and, therefore, can make informed decisions regarding the genres which they enjoy reading.

To do this, we will be collecting a number of specific books. If you are having a pre-Christmas clear-out and have any books from the list below which you would like to donate, we would be very grateful!

Or, if you would like to buy a book for your child for Christmas, perhaps one from our reading list would be a lovely gift.

We are also looking for companies to sponsor this initiative. If any parents, families and friends of the school have any contacts that they feel would be able to help us, please contact Mrs Wilson or Miss Leighton.

Many thanks,

Mrs James.
