Executive Head Teacher: Mrs. J. Heaton

17th January 2020

Dear parents/carers,

Your child is bringing home an invitation from High Tunstall College of Science to attend their 'Entering the Workforce' careers fair on the 23rd January. Last year, it was a huge success and attended by several high-profile employers. The event takes place between 2pm-3pm and is designed to allow students, accompanied by their families, to meet a wide range of employers and education providers, ask them questions and find out more about what they do and the career pathways available.

In order to facilitate this, if you would like to collect your child from school at 1.45 in order to take them to the event then please complete and return the slip below. If you do not intend to take your child, then you do not need to return the slip.

Many thanks,

Mrs James

Y5/6 teacher
