

## STEM Event

Dear Parent/Guardian,

We are delighted to be able to offer the opportunity for your child to participate in High Tunstall's annual STEM event.

The lecture will take place on Tuesday 24<sup>th</sup> March 2020 from 4pm – 5.30pm at Hartlepool Borough Hall (The Headland). The guest speaker for the lecture this year is Chris Packham, naturalist, television presenter, writer, photographer, conservationist, campaigner and filmmaker.

Tickets for the lecture are limited and are charged at £5 per person, which should be paid via ParentPay. They will be allocated on a first come, first served basis, therefore, please return the reply slip below and make payment by Friday 7<sup>th</sup> February to avoid disappointment.

Unfortunately, we do not have transport for this event, therefore children will need to be dropped off at the Borough Hall at 3.50pm and collected at 5.30pm by an adult.

If you have any questions, please contact Mrs James for further information.

Thank you,

Mrs James
