## Message from the Headteacher

Dear Parent and Carer

It has been another fantastic week in school and it is a pleasure to see how well the children have seamlessly adapted to the new routines and protective measures in place within school. We are delighted that our bespoke curriculum design and provision are already ensuring that our children are making lots of progress.

### Important Note

**I would like to remind parents and carers that - if a household member is displaying symptoms and/or awaiting a test result - household members should NOT attend school or enter school grounds. By not following the guidance pupils, staff and their family members are at increased risk.**

Our year 6 members of the Junior Leadership Team have completed the interview process and are proud to welcome the new members to the team.

Just a reminder to please ensure that all senior school applications are completed and returned no later than the 31st October 2020 for our year 6 children.

The secondary School Admissions flyer emailed out earlier this week to our Y6 families, gives full details on how this year's application process will work.

Have a lovely weekend

Mrs Hill

## Parent Consultations

It is lovely to see that the majority of our parents have signed up to the telephone conversations with each/parent carer and the class teacher. If you haven't had chance to do so, these can still be booked via the school website.

For parents new to the school and the system, you will receive your log on details shortly and instructions on how to book a slot. Please contact a member of our admin team who are happy to chat through the process. For the consultations to be successful, all pupil contact details must be up-to-date. The consultation may be made from a withheld number at the designated time and, unfortunately, should you miss the call, staff will not be able to contact parents beyond the allocated time slot. We understand that things happen and you may miss the call, if you need to rearrange another time on another day please contact the school office the following day.

If your child is on the SEND register and IEP targets are to be discussed, a separate appointment will be made between the teacher and the parent during this call.
