| <b>Staff &amp; pupil numbers could give rise to risk of infection</b> | Staff, visitors, pupils or contractors | <b>severe</b> | § The reopening of the school in September will be staggered to allow for any necessary training for staff and clear systems to be put in place for pupils returning. 2 PD days will take place then pupil return will be staggered over the first week. New Nursery pupils will then return gradually over the course of the next week.   | Headteacher                             | 1st September | Done           | <b>Moderate</b> |  |

|  |  |             |               |      |
|--|--|-------------|---------------|------|
| Schools to add additional hand washing facilities where they feel necessary  |  | Headteacher | 1st September | Done |
| Visitors are allowed on site and school will individually assess each individual case. Where possible, specialists, therapists and support for SEND pupils should provide interventions virtually. If not then they should minimise contact and adhere to all protective measures. Any visitors necessary to deliver the curriculum/provide cover, eg sports coaches, music specialists, supply teachers must adhere to the protective measures and ensure they maintain 2m distance from all adults and from pupils at the front of the class. All other risk reduction measures should be used, eg use of outdoors, ventilation, no singing, etc in line with guidance. All visitors must complete the visitor link. (see 126 for additional info) |  | Headteacher | 1st September | Done |
| Group sizes will follow Government guidance and classes will operate as bubbles with minimal interaction with any other pupils in school other than eg potential passing in corridors.   |  | Headteacher | 1st September | Done |
| § Staff are to be provided with support and time to provide for any pupils not attending school and requiring remote learning. This may include additional time provided to staff. Staff workload will be managed to ensure any remote learning systems are in place for potential future lockdowns.   |  | Headteacher | 1st September | Done |
| All protective measures in the system of controls must be adhered to   |  | Headteacher | 1st September | Done |
| All doors and windows to be opened for ventilation where possible, taking risk assessments for individual pupils and site specific issues into account.  |  | Headteacher | 1st September | Done |
| Adults should not spend time next to pupils listening to readers or marking through work. Alternative measures need to be implemented eg plastic screens or use of technology  |  | Headteacher | 1st September | Done |
| Staff should aim to remain 2m away from pupils and other staff and adhere to all necessary guidance including all protective measures in the Government guidance. The guidance acknowledges that even though 2m social distancing cannot be adhered to at all times, the more times that it is the more effective the reduction of risk.   |  | Headteacher | 1st September | Done |
| Children should be supported to maintain distance and not touch staff and peers where possible.  |  | Headteacher | 1st September | Done |
| § All guidance to be followed if there is a positive case in school, including provision of a room in school for immediate isolation.  |  | Headteacher | 1st September | Done |

|  |  |        |  |  |             |               |      |          |
|--|--|--------|--|--|-------------|---------------|------|----------|
|  |  |        | Pupils in intervention groups should remain with their class or year group bubble where possible. If they are required to attend intervention with another year group then this must be consistent and minimised. These pupils will become part of this individual's 'bubble.'   |  | Headteacher | 1st September | Done |          |
|  |  |        | Breakfast, 'pick up support' and after school clubs should build numbers in a safe manner. Pupils should be kept in their class or year group bubbles where possible. All resources should follow the guidance and be restricted to individual and bubble groups and all activities should follow guidance to maintain distance and minimise risk.         |  | Headteacher | 1st September | Done |          |
|  |  |        | <b>Ongoing</b><br>Ensure relevant staff are on site including first aiders, fire wardens and safeguarding support.   |  | Headteacher | 1st September | Done |          |
| <b>Lack of or out of date medical information could increase risk of infection to pupils and staff</b> | Staff, visitors, pupils or contractors | Severe | * Obtain up-to-date medical, allergy and emergency contact details from pupils and staff prior to coming back on site wherever possible.   |  | Headteacher | 1st September | Done | Minor    |
|  |  |        | § Review Education Health Care Plans (SEND) and any similar provisions given the altered nature of the school use, day, timetable, etc.  |  | Headteacher | 1st September | Done |          |
|  |  |        | § staff should be made aware and reminded of medical conditions and other needs of pupils they are caring for e.g. allergies, asthma. Ensure devices such as inhalers and epi-pens are available, and relevant staff are trained in their use and can be obtained without compromising the integrity of bubbles. All relevant PPE provided where required. |  | Headteacher | 1st September | Done |          |
|  |  |        | § Food allergies and intolerance information to be shared with relevant catering staff for pupils returning to school.   |  | Headteacher | 1st September | Done |          |
|  |  |        | § Staff shall continue to adhere to the medical needs procedures regarding the administration of medication. Medication to be provided by parent / carer at home wherever possible.  |  | Headteacher | 1st September | Done |          |
|  |  |        | * If staff and pupils are based at sites which are not their usual location, they should share relevant medical conditions so these can be assessed, and steps taken to manage them as above.  |  | Headteacher | 1st September | Done |          |
| <b>Use of certain equipment could increase infection exposure risk</b>                                 | Staff, visitors, pupils or contractors | Severe | No contact sports in PE and PE equipment should be cleaned thoroughly between use by each class bubble. PE should take place outside where possible and outdoor sports prioritised. Indoor PE can take place with spacing of pupils and ventilation when necessary.  |  | Headteacher | 1st September | Done | Moderate |
|  |  |        | Pupils should not share IT equipment at the same time, e.g. laptop/chrome book/iPad. This equipment should be cleaned regularly.   |  | Headteacher | 1st September | Done |          |

|  |   |  |   |               |               |
|--|---|--|---|---------------|---------------|
|  | Pupils should limit the amount of equipment they bring into school each day to essentials of lunchbox, hats, coats and books in one small bag that is easily cleaned. No pencil cases and stationery should be brought in from home. If pupils bring pictures etc for staff then these should follow the rules of post and deliveries detailed in this risk assessment and any physical objects brought into school that should not be, should remain with the pupil and the parent contacted to remind them of systems in place.   |  | Headteacher                             | 1st September | Done          |
|  | Indoor and outdoor equipment that cannot easily be cleaned after each user or kept for one user at a time should be taken out of use e.g. trim trails, climbing frames, indoor and outdoor gyms. If an area can be zoned off for one class bubble to use, eg a trim trail this should very clearly marked and cordoned off with clear signage on who is able to use it. All staff and pupils should be made aware and it should be wiped down at the end of each day. If another bubble is to use it then this must follow the guidance of 48 hours or 72 hours between use if any plastic parts exist. |  | Headteacher                             | 1st September | Sept 1st 2020 |
|  | Sand and water should be used only by pupils in the same class bubble. Sand and water should be replaced regularly and containers cleaned regularly.  |  | Headteacher                             | 1st September | Done          |
|  | Reduce the use of shared resources. Allocate individual resources of stationery to pupils and staff that is for their sole use. Provide wipeable pockets/pencil cases for pupils' sole use and storage of equipment. Classroom based resources, such as books and games, can be used and shared within the bubble. These should be cleaned regularly.   |  | Headteacher                             | 1st September | Done          |
|  | <ul style="list-style-type: none"> <li>Minimise or remove soft toys and soft decorations e.g. soft hanging displays in classrooms and other more difficult to keep clean equipment. Other equipment that is kept for the sole use of a discrete group of staff and pupils can be cleaned at the end of the day.</li> </ul>  |  | Site manager/caretaker & Office Manager | 1st September | Done          |
|  | Shared materials and services should be cleaned and disinfected more frequently.  |  | Headteacher                             | 1st September | Done          |
|  | Pupils must bring own labelled water bottles each day and take home to wash at home each night. Where pupils have forgotten a water bottle and require a drink, this must be provided in a labelled disposable cup that the pupil must throw away at the end of the day.  |  | Headteacher                             | 1st September | Done          |
|  | Restrict use of fabric chairs to single bubble use of class size. Clean regularly.  |  | Headteacher                             | 1st September | Done          |

|  |  |        |   |  |             |               |      |       |
|--|--|--------|---|--|-------------|---------------|------|-------|
|  |  |        | Resources that are shared between classes/bubbles (eg sport, art, science resources) should be cleaned frequently and meticulously and always between bubbles. Alternatively they could be left out of rotation for 48 hours (72hrs for plastics) between use by different bubbles.   |  | Headteacher | 1st September | Done |       |
|  |  |        | If pupils bring a healthy snack for break time this must be stored for their own personal use and not touched by anyone else. They are to be reminded of sitting down to eat the snack due to risk of choking.  |  | Headteacher | 1st September | Done |       |
|  |  |        | Amend or stagger timetables for activities using halls or classrooms where activities cannot be done elsewhere e.g. D&T, practical science, art, so the groups of pupils can move around safely.  |  | Headteacher | 1st September | Done |       |
|  |  |        | Shared resources in bubbles or across bubbles that are more difficult to clean (eg wetsuits) must be bagged and labelled with the date last used and touched and stored securely for 72 hours before use by another pupil. Spare PE kit will not be in usage.   |  | Headteacher | 1st September | Done |       |
|  |  |        | When staff take home any pupil books or resources they should be advised to do so only when absolutely necessary. They should wash their hands prior to touching the books/resources and afterwards. Staff should maintain own equipment/resources for sole use where possible.   |  | Headteacher | 1st September | Done |       |
|  |  |        | <b>Ongoing</b>  |  |             |               |      |       |
|  |  |        | Review how pupils and staff are interacting, numbers on site, how equipment is being used and cease or reinstate activities and equipment as necessary.   |  | Headteacher | 1st September | Done |       |
| Lack of information when entering school could risk virus being introduced | Staff, visitors, pupils or contractors | Severe | Clear communication with parents and carers is essential from the school so they understand what systems are in place in school. All persons likely to come into the school grounds should be informed they must not attend if they are displaying any symptoms of coronavirus. Parents and carers must be repeatedly reminded that they must keep pupils at home who display any of the symptoms. Pupils who are isolating cannot enter the school site, even when accompanied by a parent to collect other pupils. They must also be reminded of the necessity to inform school immediately and to take their child to be tested at the earliest opportunity and inform school of the results. This may be by newsletters, letters, emails, signs and any other appropriate measures. |  | Headteacher | 1st September | Done | Minor |
|  |  |        | All staff to receive appropriate training including PPE fit training.   |  | Headteacher | 1st September | Done |       |
|  |  |        | Schools will update their home school agreement to ensure parents and families understand the expectations around their contribution to managing risk.  |  | Headteacher | 1st September | Done |       |

|   |  |        |  |  |                    |               |      |          |
|---|--|--------|--|--|--------------------|---------------|------|----------|
|   |  |        | Ensure safeguarding and behaviour policies are updated as required and shared and understood by all staff and volunteers. All safeguarding training should continue to be kept up to date through virtual training.  |  | Headteacher        | 1st September | Done |          |
|   |  |        | All pupils and parents to be provided with information to ensure awareness of systems in school clearly prior to return. School should take care to consider the needs of SEND pupils and those who may require support to understand the systems and protective measures. |  | Headteacher        | 1st September | Done |          |
|   |  |        | All required staff are available, including DSLs, SENDCos, Fire Wardens and SLT or a suitable person deputising. All are made aware of the updated guidance and all aspects of the risk assessment.  |  | Headteacher        | 1st September | Done |          |
|   |  |        | All pupils should be taught how to hand wash, use hand sanitiser and 'catch, bin and kill it' Staff should have guidance/training on this. Pupils should be supervised when hand washing to ensure it is being done correctly.   |  | Headteacher        | 1st September | Done |          |
|   |  |        | Any staff required to visit more than one site when it is not for the purposes of teaching a class bubble or group, must minimise the visits and only undertake where necessary. They must maintain social distancing with staff and pupils in the setting.                |  |                    | 1st September | Done |          |
| Lack of governance resulting in risk of controls not being observed | Staff, visitors, pupils or contractors | Severe | Clerked Board Meetings continue to take place virtually - to be reviewed regularly.  |  | Chair of Board     | 1st September | Done | Minor    |

A distance of 2m to the adult at the front of the classroom should be in place where possible. Chairs and desks which are surplus to requirements could be removed to assist social distancing and movement around the class and reduce potential touch points. Tables and furniture not in use could potentially be used as a physical barrier to separate areas of the classroom if suitable. However, safe exit in the event of an emergency must be maintained. Walkways to aid staff adhere to social distancing of adults to pupils can be used in layout of the desks. |                                  | Headteacher                  | 1st September | Done |

|   | § If other members of staff need to speak to or visit a different area for example senior leadership team (SLT), they should avoid entering into the room wherever possible. They should stand in the doorway/corridor with classroom door open, as entering the area will affect occupancy. Administration of emergency first-aid is an exception to this requirement. Messages from the office are to be made via class phone/walkie talkie. | In order to support SEND pupils effectively and to be deployed to support catch up or run interventions, adults may work with pupils across bubbles but these adults must take extra care to attempt to socially distance from pupils and staff. If staff are deployed across more than one school they should be particularly vigilant to minimise the adults and pupils they come into contact with and should ensure social distancing is adhered to.  |  | Headteacher & SENDCo             | 1st September | Done |
| When an adult holds an intervention group the desks/chairs should be laid out to face the front. Pupils should have own equipment if possible (or only shared between bubble). All pupils must vacate the area prior to another group using it and the desks and high touch areas should be wiped down after each use.  |  | Headteacher & SENDCo             | 1st September | Done |
| § Where required, any necessary emergency closer supervision of pupils should be carried out side on rather than face-to-face. This should be adhered to where required in safeguarding situations, e.g. disclosures. To reduce contact between pupils and staff, measures should be put in place to enable staff to listen to readers, provide feedback on pupil work or support with learning, eg a question related to a book/text. [\[i\] Clinically Extremely Vulnerable People](#)

Some adults and young people have health conditions that mean they are more likely to get very unwell and might have to go to hospital if they catch coronavirus (COVID-19). These people are described as being clinically extremely vulnerable and include those who:

Solid organ  
transplant recipients.  
People with specific  
cancers:  
people with cancer  
who are undergoing  
active chemotherapy  
people with lung  
cancer who are  
undergoing radical  
radiotherapy  
people with cancers  
of the blood or bone  
marrow such as  
leukaemia,  
lymphoma or  
myeloma who are at  
any stage of  
treatment  
people having  
immunotherapy or  
other continuing  
antibody treatments  
for cancer  
people having other  
targeted cancer  
treatments which  
are effective

This guidance is for all adults and young people who are most likely to become very unwell if they catch coronavirus (COVID-19), wherever they live or usually spend their time. This could be:

- in their own home
- in a care home
- at school
- at a special school (for example a school for young people with special educational needs)
- at university

#### System of controls

This is the set of actions schools must take. They are grouped into 'prevention' and 'response to any infection' and are outlined in more detail in the sections below.

##### Prevention:

- 1) minimise contact with individuals who are unwell by ensuring that those who have coronavirus (COVID-19) symptoms, or who have someone in their household who does, do not attend school
- 2) clean hands thoroughly more often than usual
- 3) ensure good respiratory hygiene by promoting the 'catch it, bin it, kill it' approach
- 4) introduce enhanced cleaning, including cleaning frequently touched surfaces often, using standard products such as detergents and bleach
- 5) minimise contact between individuals and maintain social distancing wherever possible
- 6) where necessary, wear appropriate personal protective equipment (PPE)

Numbers 1 to 4 must be in place in all schools, all the time.

Number 5 must be properly considered and schools must put in place measures that suit their particular circumstances.

Number 6 applies in specific circumstances.

##### Response to any infection:

- 7) engage with the NHS Test and Trace process

8) manage confirmed cases of coronavirus (COVID-19) amongst the school community

9) contain any outbreak by following local health protection team advice

Numbers 7 to 9 must be followed in every case where they are relevant.
