News to You - Weekly Newsletter

Autumn Term 2 17/12/20

Message from the Headteacher

Dear Parent and Carer

The last newsletter of the year is usually a reflection of the calendar year ... and what a strange year 2020 has been for our children and our school community!

In 2020, our children have been an integral part of a significant historical event and we will look back and remember their positivity, their thoughtfulness, their kindness, their adaptability, their resilience and their eagerness to come to school.

I would like to thank you for your overwhelming support and helping us to keep our children and staff safe. Your positivity, cooperation and support has helped staff to continue to provide quality education for our pupils whilst keeping them safe and having fun! Staff have missed the interaction with parents and the festive activities of this term. However, we were determined that the children should have more festive fun than ever. Hopefully, you have seen the very many videos and photographs on social media, the website and MST and agree that staff have worked tirelessly to ensure the children have had lots of Christmas fun!

I hope that all families in the Hart family are able to share a wonderful Christmas with their loved ones and those who are not unable to do so are in our thoughts. I hope for a 2021 where we can meet freely with our friends, family and those dear to us.

Merry Christmas

Mrs Hill

HART NEWS:

Mrs Sturrock is retiring today after working in the school for 13 years, including 2 periods of 6 and 7 years respectively.

We would like to thank her for all her hard work and commitment and we wish her a very happy retirement.

Clubs:

From 11th January, we are hoping to host some after school sports clubs in school. Please note that should Mr Gibson have to isolate, the clubs will have to be cancelled at short notice as we will not be able to staff them

2020

COVID Holiday Cases

Hart Primary school has followed Government guidance and will close today (Thursday 17th December), having the 18th December as a PD/inset day. We are committed to continue to work into the Christmas holidays in order to receive notification of any positive test results that may impact upon the pupils and staff in our schools, in order to support our communities. We therefore ask that if your child develops symptoms and receives a positive COVID result that you follow the guidelines below.

1) If a child develops symptoms within 48 hours of the last day being in school **AND** they test positive, please email the school on the info email address on **info.Hart@nllt.co.uk**

2) If a child is taken for a test without symptoms and they test positive **AND** they were in school 48 hours or less before they were taken for a test, then please email the school on **info.Hart@nllt.co.uk**

If a child shows symptoms 48 hours after being in school and tests positive, or your child has no symptoms but has a test **more than 48 hours after finishing school on the 17th December** and tests positive, please contact Test and Trace in the usual way. If school are notified of a positive case that impacts upon anyone in school as a close contact, an email will be sent to parents to notify them.

Please ensure that you check your email inbox

We also ask that parents inform school via **info.Hart@nllt.co.uk** of any other positive tests that take place in the holidays that will impact on the return of a pupil on **5th January 2021** so remote learning can be arranged for them if they need to be in isolation in January. These notifications will be addressed when schools return at the start of the January term.

Many thanks
