Friday 12th March

Message from the Headteacher

Dear Parent and Carer,

What a wonderful fun filled week we have had! An air of positivity radiates from the children and is quite contagious! The children have been engaged in many practical, investigative activities this week and it was wonderful to hear them eagerly chatting to one another about their learning. Here are few photos of the children enjoying teaching and learning.

'Always Our Best'

 Y1/2 Jack Warrington/Skye Whittaker
 Y3/4 Charles Bird/Mitchell Macsween
 Y5/6 Elynn Henderson/Holly Cooper

Parent support videos

Many parents have asked us how they can support their child's learning and have enjoyed working alongside their child during the lockdown. To support parents, staff have created support videos of how to support your child at home. The below videos can be found on your child's Microsoft Team Account under the heading 'Parent Sessions'. Released this week are:

Name of support video	Classes
Phase 2 Phonics Parent Session	EYFS and KS1
Love of reading	All classes
Multiplication	KS2
Division	KS2
Operations with fractions	Upper Key Stage 2

Science Hub

We are proud to announce that our sister school St Peter's Elwick Church of England Primary School has been selected as the Lead School for the Ogden Trust Science Partnership in Hartlepool. Working alongside Hart and with several other schools in the town – both secondary and primary – the partnership aims to develop the teaching and learning of Science, particularly Physics, through sharing best practice and supporting transition of pupils from primary to secondary and beyond. The children have really enjoyed taking part in a range of science experiments and practical activities this week to apply their knowledge and develop their curiosity and there's more to come with Mars Day next week for years 5 and 6.

Homework

From Summer Term, your child's homework will be set on MST rather than Socrative. Please speak to your child's class teacher if you have any queries regarding accessing this.

It is great to see so many parents have signed up for the virtual Parent Consultation on March 23rd and March 24th. If you haven't had chance to do so yet, the deadline for booking appointment slots is March 22nd.

Attached to this email, you will find an overview of the Local Governing Body of Hart Primary School. The purpose of Local Governing Body is to lead the school and promote high standards of educational achievement at our schools. I hope you find this summary useful. For further information on the Local Governing Body, please see the school website.

Mrs Hill

It has been brought to our attention by residents that some cars are being parked across residents driveways at busy times, please can we politely remind parents and carers to consider residents when parking.
