Message from the Headteacher

Dear parents / guardians,

It has been a very busy 7-week half term and the children have made so much progress in this short period! They have put maximum effort into their learning and are beginning to reap the rewards. I would like to take this opportunity to thank our staff and Governors who are working extremely hard to ensure that our COVID Recovery plan is implemented and that we serve our children well. I look forward to seeing you all in Monday 7th June 2021 and wish you a lovely break with your children.

Enjoy
Mrs Hill

Y4 Pupils and Multiplication Check

Y4 children will be completing the **Multiplication Times Table Check** the week commencing **Monday 21st of June**. They need to be able to read and input the answer into the computer in 6 seconds. We have already been accessing the practice section of the MTC website so that the children are familiar with the layout and pace they need to complete their answers.

Please can you support your children with the practising of their times tables up to 12 x 12. Practising the childrens' knowledge of 6, 7 and 8 times tables in particular would be super. Rockstar Maths soundcheck is a great way of testing their speed as it mimics the MTC format. Your continued support is always greatly appreciated

Miss Whitaker

Euro Football

Children have been taking part in an interclass football event to celebrate the start of the European Football Competition. It has been taking place during their normal PE session with Mr Gibson.

Hart Field

The erection of the inner perimeter fencing is scheduled to commence on the 1st June 2021 and, if the weather is kind, we are hoping that it will be completed w/c 20th June 2021. Reinstatement works will then be undertaken following completion of this work, including grass seeding, to enable the field to be returned to use. Once again it is important to stress that this is weather dependent.

Leadership Structure

We would like to congratulate Mrs Wilson on her promotion to Deputy Head Teacher of St Peter's CoE and Hart Primary school and are excited for her to start her new role in September. Mrs Wilson will work across both our schools and lead teaching and learning. She will primarily be based at St Peter's CoE, Elwick. Miss Leighton will also work across both schools, but will be primarily based at Hart Primary.

Structure from September 2021

Summer 2

As with many sectors, school is currently working through the eagerly awaited updated government guidance. **We do not want the children to miss out so dates have provisionally been booked in the school diary for various events for the children in Summer 2. The design and organisation of these events is subject to change and very much dependent on the government road map, government guidance and the school's risk assessment.** At present, we are unable to state whether parents/guardians are able to attend. School appreciates that this is inconvenient and, as soon as we know, we will let you know.

Half Term and COVID Cases

School will continue to work to support Track and Trace over the half term holiday to support our school community.

We therefore ask that if your child has been in school, develops symptoms and receives a positive Covid result that you follow the guidelines below:

48 hours of last being in school AND they test positive, please email the school on the info email address below.

If a child is taken for a test without symptoms and they test positive AND they were in school 48 hours or less before they were taken for a test, then please email the school on the info email address below
info.hart@nllt.co.uk

If a child shows symptoms 48 hours after being in school and tests positive, or your child has no symptoms but has a test more than 48 hours after finishing school on 28th May 2021 and tests positive, please contact Test and Trace in the usual way.
