Message from the Headteacher

Dear parents / guardians,

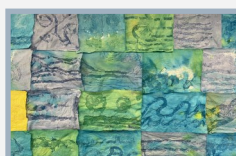

Before I celebrate the teaching and learning which has been happening in Hart Primary this week, it is important to note that COVID-19 transmission rates in Hartlepool are increasing. I would, therefore, like to reinforce the need for us all to be vigilant, follow the protective measures in place and ensure that members of our school community isolate as soon as **anyone in the household has symptoms.**

In this week's newsletter, Miss Whitaker would like to celebrate artwork from across our art curriculum. The children have really enjoyed these sessions and I am sure that you will agree that we have some very talented children!

Y1/2 have been completing line drawings.

Y3/4 have been creating tie dye and flour resist.

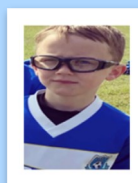

Y5/6 have been looking at sketching with a focus on fur and direction of mark making.

Well done to one of our Y2 pupils who plays for Pools Youth FC, he has scored an amazing 51 goals this season!

The team won the league with a score of 12-0!

Hart have been exceptionally lucky to win over £1000 worth of football equipment. Miss Whitaker entered our school into the Monster Kickabout draw and we were one of the first of 500 schools to be entered. As a result, we received a giant box of 30 new, Nike footballs, 2 full sets of training bibs, an electric pump, 2 stacks of cones for drills and 3 training bags to store the new footballs in. We can't wait to use of all of our new resources with our children.

Here is a bit more about the initiative

Monster Kickabout is a new action-packed initiative from Sports Direct and Nike aimed at Primary and Secondary Schools up and down the country, Their goal is to get as many children as possible playing the beautiful game of football, having spent the last year sitting indoors and on the sidelines.

Y6 Leavers Lunch

School is planning a special leavers' lunch for our Y6 pupils on Tuesday 13th July. School would like to pay for this lunch. If you would like your child to have a school leavers lunch on this day, please contact the school office by Friday 2nd July.

Next Year's Class Teacher

School recently sent home leaflets listing the adults in your child's class for next academic year 2021-2022. Now more than ever, we feel that it is crucial that our children get the opportunity to meet their teacher for next year. School are currently designing complex timetables to ensure that all children meet their teacher for 2021 to 2022 within their current class bubble.

End of Year report and Meet the Teacher drop in sessions

End of year reports will be sent home with the children towards the end of this half term. If there is anything you would like to discuss about your child's report, teachers will be available on 7th and 8th July (after school) or for y 3/4 6th and 7th July. Please email info.hart@nllt.co.uk to arrange an appointment.

There will be an opportunity to meet your child's new class teacher for 2021-2022, on Wednesday 14th July (3.30pm - 5.30pm) Appointments should be made via the form that was emailed to parents last week. Please note that both of these optional drop in sessions will be via Teams using your child's account.

School Lunch Reminder

From September 2021 the cost of school lunches will be £10.65 per week (£2.13 per day) These charges will only apply to children in Nursery, if they stay for lunch, and children in Key Stage 2. Children in Reception and Years 1 and 2 are provided a school meal which is free of charge. Please be reminded that if you are planning on changing from school meals to packed lunches then we require notification by email to info.hart@nllt.co.uk , during the half term before the changes will take pace.

Year 5 Ties

To support our children with their transition to secondary school, Hart Primary gifts our current Year 5 children with a 'real tie'. The purpose of this is so that they learn how to tie a tie before they start their journey in secondary school and it gives them one less thing to worry about it. The Y5 children will receive their tie in the next few weeks. Having gifted the tie, it is our hope that they will wear their tie as part of the uniform expectation. We look forward to seeing them in September

COVID Symptomatic Pupils and Positive Cases

Any children showing symptoms of COVID should book an appointment for a PCR test immediately and must not come onto the school premises, this is also the case if a member of the household has symptoms. School cannot accept a lateral flow test results for children. We ask parents to continue to wear face masks when they enter the premises for the protection of staff and pupils. Thank you for support.
