Message from the Headteacher

Dear Parent and Carer,

It is fantastic to see all of our children return to school with a smile on their face and eager to learn. They looked super smart in their uniforms and many have grown so much over the holidays! I would like to say a special welcome to those pupils who have joined the Hart family this term. It is lovely to see that they have settled already!

Here are some of our new starters enjoying the sunshine!

How do I know what my child is learning this term?

Soon you will receive an email containing the Knowledge Organiser for this half term so that you are aware of the key learning which is taking place. The Knowledge Organisers are also available on the school website. To support your child, chat to them about their knowledge as talking and revisiting will help your child to retain key knowledge. If you have any queries regarding the Knowledge Organiser, please contact your child's class teacher.

Homework

Weekly homework will be set and available on MST from 13th September. If you have any queries regarding the homework set or accessing MST, please speak to your child's class teacher

Current medical and contact details

Can you please ensure that school has your current contact details and medical details for your child. Please make an appointment with Miss Walker via the school office if you would like to discuss your child's medical needs.

Wrap around care consultations

School aims to support our families whilst providing the best education we can for our children. As always, we listen to our families and some parents/carers have mentioned that they would find wrap around childcare of 1 hour at the end of the school day useful. School can only provide this if it is viable. A questionnaire has been sent to parents/carers to see if it is. In order for school to consider the viability of this , we have set a deadline for Monday 13th September.

ADVANCED NOTICE — PARENT CONSULTATIONS

It is hoped that Parent Consultations will take place 19th and 20th October. Details regarding the format and booking system for these will be disseminated nearer the time.

PARKING

School have received a letter from Hart Parish Council regarding parents blocking the entrance to the driveways of the residence of Magdalene Drive and have been asked to remind parents to refrain from doing so.

COVID

Can I please stress, that parents, carers and pupils who are displaying one or more of the symptoms of Coronavirus must NOT enter the school premises. Please inform school if your child is displaying symptoms, take your child to be tested at the earliest opportunity and inform schools of the results.
