Message from the Headteacher

Dear Parent and Carer

It has been another fun filled fortnight at Hart Primary School. Whilst reflecting on the last 18 months, it has been an absolute joy to watch our children play together in the sunshine on the school field and to sit together as a whole school for Assembly.

I would like to say a huge well done to the KS2 children who participated in the Cross-Country Cluster event and the Tag Rugby events at High Tunstall.

Good luck to those who made it to the Cross County Town final!

Hart has rigorous plans in place to minimise the impact of COVID on the education of our pupils. We know that COVID affected every family differently. Throughout this week, staff in school have been assessing our pupils and putting in place additional support for identified pupils. For some pupils this will take place during the school day and for others 'Catch Up and Keep Up' slots have been offered outside the school day. If you have any queries regarding the 'Catch Up and Keep Up' sessions please contact your child's class teacher.

Have lovely weekend
Mrs Hill

Lots of parents/carers completed the questionnaire to state that they would like school to provide after school wraparound care and school are currently trialling this to see if it is a viable service. COVID

Can I please stress, that parents, carers and pupils who are displaying one or more of the symptoms of Coronavirus must NOT enter the school premises. Please inform school if your child is displaying symptoms, take your child to be tested at the earliest opportunity and inform schools of the results.
