

## British Values / RHE

### Celebrating Difference

#### Key Vocabulary

Feelings, Difference, Opinion, Respected

#### Key Knowledge

Everyone has similarities and differences.

We are all unique and special because of our differences.

We can share and respect people's opinions.

Sharing and respecting others' opinions is important.

## Understanding The World

### The Natural World - Geography

#### Key Vocabulary

Environment, harm, rubbish, recycle, travel, living things, love, food, water, shelter, pollution, plastic, wildlife, packaging.

#### Key Knowledge

Litter can harm our environment so put all rubbish in to the bins.

We can look after our environment by recycling rubbish which means to separate the rubbish into things that can be made into something new and things that can't.

We can travel on foot/bicycle to help our environment.

To take care of living things we give them love, food water and shelter.

Plastic pollution is when plastic items such as bags/package is not recycled correctly and ends up in our environment and harms wildlife.

### The Natural World – Science

#### Key Vocabulary

Float, sink, top, bottom, water, magnet, magnetic, material, attract, compost.

#### Key Knowledge

If something floats it stays on top of the water.

If something sinks it goes to the bottom of the water.

If something is magnetic then it is picked up by a magnet.

Recycling is when we re use old materials/objects and make them in to something new.

Composting is when we get rid of old vegetables and food to help make our soil healthier.

People, Culture & Communities – How and why is Easter celebrated by Christians?

#### Key Vocabulary

Easter, Palm Sunday, Palm branches, welcome, cross, tomb, Easter Sunday, Holy Week, Church, celebrate.

#### Key Knowledge

The Easter story tells us about Jesus dying for us on the cross and coming back to life. (resurrecting)

Palm Sunday is when people greeted Jesus by waving palm branches.

# Difference
