The quality of relationships between all members of school, staff and pupils, and the relationship with parents/carers is integral to the ethos of the school. We have a series of overlapping networks of relationships, which includes governors, staff, children, parents/carers and members of the community which the school seeks to serve. Our pastoral work will strive to create and maintain such. Those who are school staff and in particular those in leadership roles, which include all who have a particular responsibility, ensure that by their personal example they set the highest standards expected. Pastoral care pervades all aspects of school life and therefore will be reflected in the way the school is organised and the way policies are written and implemented.

Our Shared Values

We respect and care for all members of the community, nurturing talents and creating opportunities for all in a supportive environment. We believe that it is through the nurturing of the children, they will become equipped to develop the beginnings of their own values and our vision: 'to give all children the opportunity to be the best that that they can be and have fullness of life'

We share a common set of values that underpin all that we do in our work at Hart Primary School. These values are: • Friendship and Trust • Compassion • Always Our Best • Thankfulness

Statement of intent

Educational achievement and subsequent life chances for LAC and previously-LAC can be affected and at times are a concern. Pupils who are looked after can often require special additional attention in order to improve their situation and their long-term educational attainment and achievement.

Hart Primary School endeavours to provide positive experiences and offer stability, safety, and individual care and attention for all our pupils. Our school vision is for all to be the best that they can be and have fullness of life.

With this in mind, we aim to:

- Encourage pupils to reach their potential and to make good progress in relation to their professional, social and emotional development.
- Ensure that pupils enjoy high quality teaching and a curriculum which meets their needs and the requirements of legislation.
- Plan support for LAC realistically and use the school's resources efficiently to ensure the school meets their needs.
- Promote a positive culture in all aspects of school life.
- Help pupils develop their cultural, moral and social understanding.

PEP- Personal Education Plan

All LAC must have a care plan; PEPs are an integral part of this care plan. The PEP is an evolving record of what needs to happen for a pupil to enable them to make the expected progress and fulfil their potential. The PEP will reflect the importance of a personalised approach to learning which meets the identified educational needs of the child.

The school with other professionals and the child's carers will use the PEP to support the child's educational needs, raise the child's aspirations and improve their life chances. All relevant bodies such as the LA, designated teacher and carers will involve the child in the PEP process at all stages. The PEP will address the pupil's full range of education and development needs; including:

- Access to nursery provision that is appropriate to the child's age
- On-going catch up support, which will be made available for children who have fallen behind with work
- Transitional support where needed, such as if a child is moving to a new school
- School attendance and behaviour support, where appropriate
- Support to help the child meet their aspirations, which includes; support to meet expected levels of progress for the relevant national key stages

Pupil Mental Health:

- LAC and previously LAC are more likely to experience the challenge of social emotional and mental health issues which can impact their behaviour and education. All teachers will have awareness, training and skills regarding a child's needs and how to support them in relation to behaviour management and mental health
- A strengths and difficulties questionnaire can be used to help professionals support the child and their emotional well-being.

Pupils with SEND:

- Support for LAC with SEND, who do not need an EHC plan, will be covered as part of the child's PEP and care plan reviews

Information Sharing:

- Appropriate and specific arrangements for sharing reliable data are in place to ensure that the education needs of LAC and previously – LAC are understood and met

At Hart Primary School, we ensure that support and provision is provided for all our LAC and their families. We work together in partnership with all external agencies to ensure impact and outcomes for our children.

- This policy will be reviewed on an annual basis
