

Tees Valley Music Service

Brass Lessons

Tees Valley Music Service takes young people from their first musical steps at foundation stage, through primary, secondary, sixth form and beyond with a team of experienced, DBS-cleared tutors. TVMS is proud to be the lead partner of the Tees Valley Music Hub.

Why Learn a Brass Instrument?

The Tees Valley has a rich heritage of Brass playing. Brass instruments are really versatile, meaning there are lots of groups to play in alongside likeminded people. Some of our Brass students have gone on to perform and tour in orchestras, musicals, and bands worldwide!
